KBCNMU
CASI GLOBAL

Dear Students,

Am very happy to announce our recent alliance with CASI Global. With this alliance all our students are eligible to enrol for value-add online certification programs. With the advent of internet and open education systems: the world has become smaller. Knowledge is no longer restricted to large cities but in fact students across the globe are now availing benefits of connectivity. Our university is a leader in creating such opportunities for students and our alliance with CASI Global endorses our vision to ensure our students are able to avail world class education.

CASI global is present across 52 countries and offers world class certifications. These are practical programs designed by IIT and IIM alumnus.

Your university and CASI jointly, now offer over 25 online certifications where students can understand what industry really wants. These programs act as a supplement to your core degree and give you an edge in your career. Every student will get a joint certificate from CASI and KBCNMU. These programs are 6 months programs and are designed in way where students can elect one program every semester.

Starting June 2019, Students will get credits from these programs in their report card in addition to the co-branded certificates

I urge every student to avail of this opportunity and get certified. I also urge residents nearby to enrol for value add programs from KBCNMU and CASI and give a boost to their career.

Jai Hind.

Prof. P. P. Patil
Vice Chancellor
Kavayitri Bahinabai Chaudhari North
Maharashtra University Jalgaon

We are elated at the KBCNUM - CASI Global alliance. By virtue of this alliance lacs of students across Maharashtra will be able to enroll for world class online certifications where the certificates will be awarded jointly by KBCMNU & CASI Global.

These certifications act as a supplement to the students core degree and not only enhance her / his skill-sets but also give students an exposure to practical knowledge thereby preparing them to face far greater challenges in their career.

Every institute affiliated to KBCNMU is now able to offer these online certifications to students as well as non students in their vicinity ensuring that citizens at remotest locations can now avail benefits of world class online certifications.

Apart from certifications, CASI Global organizes behavioural change events; for instance the Mahawalkathon organized by CASI, PWD Government of Maharashtra, MMVD and CSR Diary where over 5 lac citizens participated in 2018 and the Cop for a Day organized with Maharashtra police where citizens especially students will work at a police station.

Students across Maharashtra can now participate in CASI events through KBCNMU. Refer www.mahawalkathon.com & www.copforaday.com for details.

**Prof. Paresh Sheth
Director
CASI Global New York**

About CASI

CASI New York

CASI Global is the apex body dedicated to promoting the knowledge & cause of CSR & Sustainability. We work on this agenda through certifications, regional chapters, corporate chapters, student chapters, research and alliances. CASI is basically from New York and now has a presence across 52 countries.

World Class Certifications

CASI is usually referred to as one of the BIG FOUR in education. CASI is also referred to as the global certification body CASI offers world class certifications across multiple subject and caters to a vast audience across primary school to management school to CXO level students. Many universities & colleges offer CASI programs as credit based programs. CASI also offers joint / cobranded certifications in alliance with various institutes and universities.
www.casiglobal.us

CASI India

CASI India has alliances with hundreds of institutes in India where students of these institutes are eligible to enroll for world class certifications offered by CASI. The reach through such alliances is over 2 million citizens. CASI India also offers cobranded programs with Government Polytechnic and many other institutes of higher learning.

CASI India has multiple franchises across India to promote certifications especially for school students.
www.casi-india.com

Volunteering @ CASI NY

CASI India / CSR Diary also provide volunteering opportunities and organizes mega format events where in citizens at large can also volunteer for various causes. These are behavioral change events and further details on such events are available on
www.csrdiary.com | www.mahawalkathon.com | www.copforaday.com

Value Proposition

Universities and institutes incorporate & adopt CASI programs within their core curriculum; this gives their students an edge in knowledge and placements. Further with corporates keen to inculcate CSR & Sustainability across their value chain, most corporate prefer to recruit employees with a basic knowledge of CSR & Sustainability.

Finally, given the wide range of online / offline / MDP programs at CASI NY, Corporates, institutes of higher learning and senior management professionals globally rely on CASI programs to develop cutting edge knowledge.

Student Chapters

This is a grass root level representation and collaboration towards promoting the cause of sustainability. Institutes / Colleges / Universities / Schools are encouraged to form a chapter / council of students headed by a faculty to promote knowledge, networking and participate in behavioral change events. This is complimentary to every education institute across the world. For further details visit www.casi-india.com

CREATE AN EDGE

Student Speak

Bhavna Jain

Ghanshyamdas Saraf College of Arts & Commerce

About CASI; it was a wonderful experience and knowledge gaining session. It didn't affect our studies. The course was really interesting, it helped me in boosting my confidence and speaking skills. It was great opportunity for us as I got something new and innovative to learn in a short time. I am happy to be part of CASI Global New York as the mentor and the guide for us were very nice I enjoyed being a part of CASI family

Ananya Joshi

V .G. Vaze College of Arts, Science and Commerce

It was a great experience to be the part of this course. I have learnt many things from this course and also the Personality Development Workshop. I'll also suggest my friends to do this course. It has also increased my confidence level.

Samita Padhy

V .G. Vaze College of Arts, Science and Commerce

For me it was a great experience in CASI workshop at V.G.Vaze college. An extremely helpful and informative course and I learned things which will be very helpful in my career. In future also I want to attend CASI workshops It was even better than I imagined. Thanks for such a wonderful and useful course.

Himanshi Duggad

Nagindas Khandwala College, Mumbai

CASI is really a GREAT experience for me. I realised the importance of CSR which helps business organisations to improve their relationship with local communities. The CASI workshops that were conducted in my college campus itself were really amazing - these were conducted by the industry experts. It helped us to work in a team and we all got an opportunity to share and express our opinions. Some of the industry experts we met in these workshops were from KPMG, Bajaj capital, Edelweiss, Quantum mutual funds, Infosys. Overall CASI has changed our thinking in different ways by all the practical work to achieve our goals.

Janhvi

S. K. Somaiya Degree College of Arts, Science And Commerce, Mumbai

I made a right decision by joining CASI program. This has been very helpful and It will be very helpful in future too. Many more students should be encouraged to enroll for such programs. It makes you think in a different way other than textbook. I found CASI Global Certification a perfect for students as it does not disturb our normal studies. **I am happy to be part of the CASI Global Network family for life.**

Swapnil Dongre

K.K. Wagh Institute of Engineering Education & Research, Nashik

It was great experience attending CASI workshops at KK Wagh college. I am now getting its benefits in my career. I am expecting an admit to one of reputed business school from France on the basis of CASI certificates. It was great experience with CASI . Thank You!!!

Smitesh Shetye

V .G. Vaze College of Arts, Science and Commerce

At the time when I was enrolling in Casi program I was not sure whether this program will be that much useful in future or not but after attending the Casi seminars my thoughts about the course became clear. It is a very good course and also offer many specialisation in it like finance, CSR etc. This course also does not affect your other studies you can complete the course side by side and clear the exam. This course has many benefits in future as well I think everyone must at least give it a try and you will witness the benefits of it in future.

Yogendra Deore

K.K. Wagh Institute of Engineering Education & Research, Nashik

The CASI workshop I recently attended was conducted by experts from **Dow Chemicals, Prism Cements, Electronic Payments & Services Limited**. It was a great learning. The Workshops were held inside our college campus. **It's great certification for engineering for engineering students** We got the best ever practical Knowledge of Sustainability. It's importance, and Practical example of Sustainability plans implemented in large industries. I am glad I enrolled for this certification.
